# Table of Contents

## Section I: Mechanisms of Vascular Disease

*Ronald A. Asherson and Ricard Cervera, Editors*

*Douglas A. Triplett, Associate Editor*

### Chapter 1

Pathology of Vascular Disease.....3

*H. Terence Cook and Charles D. Pusey*

### Chapter 2

Coagulation Abnormalities .....23

*Douglas A. Triplett*

### Chapter 3

Antiphospholipid Antibodies .....33

*Robert A. S. Roubey*

### Chapter 4

Platelet Disorders in Autoimmune Diseases .....47

*Ronit Simantov and Babette B. Weksler*

### Chapter 5

Immunology of Atherosclerosis.....61

*Outi Vaarala*

### Chapter 6

Homocysteine and Vascular Disease in the Autoimmune Connective Tissue Diseases.....71

*Michelle Petri*

### Chapter 7

Vascular Tone Control and Raynaud's Phenomenon .....81

*Marco Matucci-Cerinic, Sergio Generini, Pan Sheng Fan, and M. Bashir Kahaleh*

### Chapter 8

Antineutrophil Cytoplasmic Antibodies .....97

*Xavier Bosch and Josep Font*

### Chapter 9

Anti-endothelial Cell Antibodies.....107

*Pier Luigi Meroni, Nicoletta del Papa, and Elena Raschi*

## **Chapter 10**

Cryoglobulins .....	119
<i>Mario García-Carrasco, Manuel Ramos-Casals, Ricard Cervera, and Josep Font</i>	

## **Chapter 11**

Markers of Endothelial Damage.....	137
<i>David P. D'Cruz</i>	

## **Chapter 12**

Systemic Inflammatory Response Syndrome, Systemic Lupus Erythematosus, and Thrombosis.....	147
<i>H. Michael Belmont and Steven B. Abramson</i>	

## **Chapter 13**

Leukocyte Cell Adhesion Molecules in Vasculitis .....	161
<i>Jan Willem Cohen Tervaert, and Cees G. M. Kallenberg</i>	

## **Chapter 14**

Experimental Induction of Vascular Disease.....	179
<i>Ilan Krause, Miri Blank, and Yehuda Shoenfeld</i>	

## **Chapter 15**

Hormones and Vascular Disease.....	189
<i>Joan T. Merrill and Robert G. Lahita</i>	

# **Section II: Clinical Manifestations**

*Ronald A. Asherson and Ricard Cervera, Editors*  
*Jean-Charles Piette, Associate Editor*

## **Chapter 16**

Vascular Manifestations in Necrotizing and Granulomatous Vasculitides .....	213
<i>Karim Raza, David M. Carruthers, and Paul A. Bacon</i>	

## **Chapter 17**

Vascular Manifestations in Giant-Cell Arteritis .....	237
<i>María C. Cid, José Hernández-Rodríguez, and Josep M. Grau</i>	

## **Chapter 18**

Vascular Manifestations in Takayasu Arteritis .....	251
<i>Fujio Numano</i>	

## **Chapter 19**

Vascular Manifestations in Systemic Lupus Erythematosus.....	273
<i>Josep Font, Ricard Cervera, and Miguel Ingelmo</i>	

## **Chapter 20**

Vascular Manifestations in the Antiphospholipid Syndrome.....	283
<i>Ronald A. Asherson and Ricard Cervera</i>	

<b>Chapter 21</b>	
Vascular Manifestations in Sjögren's Syndrome.....	309
<i>Ann L. Parke</i>	
<b>Chapter 22</b>	
Vascular Manifestations of Progressive Systemic Sclerosis .....	319
<i>Christopher P. Denton and Carol M. Black</i>	
<b>Chapter 23</b>	
Vascular Manifestations in Rheumatoid Arthritis, Dermato/Polymyositis, and Mixed Connective Tissue Disease .....	343
<i>Jean-Charles Piette and Camille Francès</i>	
<b>Chapter 24</b>	
Vascular Manifestations in Relapsing Polychondritis.....	351
<i>Jean-Charles Piette, Philippe Vinceneux, and Camille Francès</i>	
<b>Chapter 25</b>	
Vascular Manifestations of Behçet's Disease.....	361
<i>Olçay Aydıntug</i>	
<b>Chapter 26</b>	
Vascular Manifestations in Microangiopathic Syndromes.....	375
<i>Gale A. McCarty</i>	
<b>Chapter 27</b>	
The Vasculitic Diseases of Childhood.....	393
<i>Thomas J. A. Lehman</i>	
<b>Chapter 28</b>	
Pulmonary Hypertension.....	425
<i>Simon P. Wharton and Tim W. Higebottom</i>	
<b>Chapter 29</b>	
Renal Vasculitis.....	433
<i>Michael Samarkos, Sozos Loizou, and Kevin A. Davies</i>	
<b>Chapter 30</b>	
Skin Manifestations of Vasculitis .....	459
<i>Camille Francès, Pierre-André Bécherel, and Jean-Charles Piette</i>	

## Section III: Treatment

*Ronald A. Asherson and Ricard Cervera, Editors*  
*Steven B. Abramson, Associate Editor*

<b>Chapter 31</b>	
Pharmacological Treatments for Thrombotic Diseases.....	475
<i>Joan-Carles Reverter, Dolors Tàssies, and Gerard Espinosa</i>	

**Chapter 32**  
Hormone Replacement Therapy for “At Risk” Patients with Connective Tissue Diseases .....509  
*Anne Gompel*

**Chapter 33**  
Surgical Treatments.....529  
*Matthew Waltham and Kevin G. Burnand*

**Chapter 34**  
Therapy of Systemic Vasculitis.....541  
*David M. Carruthers, Karim Raza, and Paul A. Bacon*

**Chapter 35**  
Anticoagulation Therapy for the Antiphospholipid Syndrome .....563  
*Scott Goodnight*

**Chapter 36**  
The Treatment of Raynaud’s Phenomenon .....571  
*Marco Martucci-Cerinic, Sergio Generini, James R. Seibold*

**Chapter 37**  
Treatment of Pulmonary Hypertension .....581  
*Simon P. Wharton and Tim W. Higenbottam*

**Index** .....587
