Cost Management in Supply Chains – Different Research Approaches. 1

Stefan Seuring

**Part 1 - Developing Concepts for
Cost Management in Supply Chains**

Supply Chain Costing – A Conceptual Framework..... 15

Stefan Seuring

Proactive Cost Management in Supply Chains..... 31

Peter Kajüter

A Framework for Extending Lean Accounting into a Supply Chain..... 53

Peter Hines, Riccardo Silvi, Monica Bartolini, Andrea Raschi

Managing Costs Across the Supply Chain..... 75

Regine Slagmulder

Organizational Settings in Supply Chain Costing..... 89

Maria Goldbach

Part 2 - Applying Cost Management Instruments

Supply Chain Target Costing – An Apparel Industry Case Study.....	111
<i>Stefan Seuring</i>	
Integrating Life Cycle Costing and Life Cycle Assessment for Managing Costs and Environmental Impacts in Supply Chains.....	127
<i>Gerald Rebitzer</i>	
Transfer Pricing in Supply Chains: An Exercise in Internal Marketing and Cost Management.....	147
<i>Messaoud Mehafdi</i>	
The Role of Finance in Supply Chain Management.....	165
<i>Lars Stemmler</i>	
Non-Hierarchical Production Networks – Order Fulfillment and Costing.....	177
<i>Tobias Teich, Marco Fischer, Joachim Käschel</i>	
Efficient Consumer Response – Increasing Efficiency through Cooperation.....	195
<i>Khurrum S. Bhutta, Faizul Huq, Francine Maubourguet</i>	
Improving Supply Chain Productivity Through Horizontal Cooperation – the Case of Consumer Goods Manufacturers.....	213
<i>Kourosh Bahrami</i>	
Cost Efficiency in Supply Chains – A Conceptual Discrepancy? Logistics Cost Management between Desire and Reality.....	233
<i>Herbert Kotzab, Christoph Teller</i>	

Part 3 - Building Cost Management Models

Interdependencies between Supply Contracts and Transaction Costs ..	253
<i>Stefan Voß, Gabriele Schneiderei</i>	
Decision Support by Model Based Analysis of Supply Chains.....	273
<i>Michael Kaczmarek, Frank Stüllenberg</i>	

A New Customer-Oriented Methodology to Evaluate Supply Chain Lost Sales Costs Due to Stockout in Consumer Goods Sectors.....	289
<i>Marco Perona</i>	

Global Supply Chain Management: Extending Logistics' Total Cost Perspective to Configure Global Supply Chains.....	309
<i>Rolf Krüger</i>	

Managing Stocks in Supply Chains: Modeling and Issues	325
<i>Layek Abdel-Malek, Giovanni Valentini, Lucio Zavanella</i>	

Some Optimization Tools to Improve Manufacturing and Supply Chain Performance	337
<i>Riurik Skomorokhov</i>	

An Options Approach to Enhance Economic Efficiency in a Dyadic Supply Chain	349
<i>Stefan Spinler, Arnd Huchzermeier, Paul R. Kleindorfer</i>	

Part 4 - Extending the Scope Beyond Cost

Using Internet-based Purchasing Tools in Supply Chains – Insights from a Retail Industry Analysis.....	363
<i>Mirko Warschun, Uwe Schneidewind</i>	

Complexity Management in the Supply Chain: Theoretical Model and Empirical Investigation in the Italian Household Appliance Industry..	381
<i>G. Miragliotta, M. Perona, A. Portioli-Staudacher</i>	

Using the Balanced Scorecard for Interorganizational Performance Management of Supply Chains – A Case Study	399
<i>Klaus Zimmermann</i>
