3	Marketing Planning: The Operating Environment and Marketing Audit	79
	Introduction	79
	A Planning Framework	80
	The Marketing Audit	82
	Analytical Tools	88

Mission, Merit, and Money: A Portfolio Model	94
Swot Analysis	97
Summary	98
4 Marketing Research	100
Introduction	100
A Definition of Marketing Research	101
Specifying the Research Problem and Research Objectives	102
Secondary versus Primary Data	103
Qualitative Research	104
Quantitative Research Techniques	105
Taking a Sample	106
Questionnaire Design	109
Analysis of Qualitative Data	113
Analysis of Quantitative Data	115
5 Marketing Objectives and Strategy	122
Introduction	122
Setting Marketing Objectives	122
Merger/Collaborative Strategy	127
Competitive Strategy	129
Segmentation Strategy	131
Positioning	147
Summary	150
6 Branding	156
Introduction	156
What Is a Brand?	157
Why Brand?	164
Branding—A Caveat	167
Brand Strategy	168
Voluntary Sector Brand Values	171
Integrated Communications	175
Summary	177
7 Marketing Programmes and Services: The Operational Mix	180
Introduction	180
Products/Services	181

Price	191
Place	195
Promotion	198
People	205
Process	206
Physical Evidence	207
Summary of the Tactical Marketing Mix	208
Ethics—An Additional Component of the Mix?	208
Budget	210
Scheduling	211
Monitoring and Control	211

PART THREE Specific Applications

8 Social Marketing: The Marketing of Ideas	217
Introduction	217
What Is Social Marketing?	217
Social Marketing Domains	221
Researching Social Behaviours	224
The Social Marketing Mix	228
The Behavioural Ecological Model	230
Designing a Communications Campaign	232
Summary	247
9 Fundraising	253
Introduction	253
Case for Support	254
Fundraising from Individual Donors	255
Corporate Fundraising	277
Corporate Social Responsibility	286
Grant Fundraising	290
Summary	299
10 Arts Marketing	303
Introduction	303
Defining the Arts	304
The Artistic Product	304
Balance in Arts Marketing	307

The Arts Audience	311
Developing Audiences Online	319
Customer Retention and Development	327
Attracting Funding	330
Summary	333
