# Contents

**Preface** ix  
**List of Figures** xi  
**List of Abbreviations** xii  
**Introduction: Prospects for Life After Death** xv  

1 Getting a Sense of the Other-Worldly Domain 1  
  1. Having that Kind of Feeling: Being Out-of-Body and Other-Worldly 1  
  2. Specific Case-Studies 10  

2 Surveying Past Horizons 28  
  1. Making Sense of the Collective ECE Narrative 28  
  2. Cultural Relativity: ECE in Historical and Geographical Context 34  
  3. The Argument So Far 49  

3 Authors' Interpretations of ECE Phenomenology 53  
  1. Authors' Perspectives on Subjects' Narratives: The Big Cosmic Picture 54  
  2. The Problem of Pre-Cognition and Acquired Psychical Powers 62  
  3. The Future Task 68  

4 Objective Analyses into ECE Subjectivity 71  
  1. Initial Approaches to a More Objective Account of ECE Phenomenology 72  
  2. Grammatical Critique of ECE Narrative: Semantics and Syntax 79  
  3. The Intrusion of Cognitive Activity into the Subjective World of ECE 86  
  4. Evidence that Pre-existing Cognitive Paradigms Influence the Experiential Contours of ECE 92  
  5. A Re-Classification of OB and ND Experiential Phenomenology 95  

5 Conscious-Awareness: Life's Illusory Legacy 98  
  1. The Illusory Foundations of Conscious-Awareness 98  
  2. 'Phantom Limb' Phenomenology: The Neurophysiology of Absence 102  

6 The Temporo-Parietal Cortex: The Configuring of Ego-/Paracentric Body Space 106  
  1. The Posterior Parietal Cortex and Body-Image 107
Contents

2. Abnormal Disturbances of Body-Image 111
3. The Ups-and-Downs and Ins-and-Outs of Ego-/Paracentric Body Space 117
4. Out-of-Body Phenomenologies: The Experiential Repertoire 121

7 Falling Asleep, Perchance to Dream—Thence to Reawaken 128
   1. Sleeping and Dreaming 131
   2. The Neuropathology of Dream-State Modes 146
   3. The Paediatric ECE/Dream Problem Revisited 151
   4. Dreams, Dreaming, and ECE Reviewed 152

8 ECE and the Temporal Lobe: Assassin or Accomplice? 158
   1. The Experiential Outcomes of Temporal Lobe Pathologies 159
   2. Transports of Joy, Love, and Ecstasy 161
   3. The Emerging Critical Relevance of Latent Temporal Lobe Dysfunction 165

9 Other Neurophysiological Aspects Pertinent to ECE phenomenology 170
   1. Intrinsic Mechanisms 170
   2. The Tunnel and Related Phenomenologies 172
   3. Extrinsic Factors 174
   4. Insights into the Brilliantly Coloured Heavenly Pastoral 183
   5. Moving Onwards: Theological Perspectives on ECE 186

10 Anthropological and Eschatological Considerations of ECE Phenomenology 188
   1. Biblical Accounts of Human Anthropology 189
   2. The Person, Death and a Future Hope 192
   3. Personhood, the Afterlife, and the Soul 200
   4. Personhood, the Afterlife, and the Resurrection of the Body 206
   5. ECE and Afterlife: Not an Enlightening Eschatological Paradigm 211

11 ECE, Revelation and Spirituality 219
   1. 'Spiritual' Dimensions in a Secular World 222
   2. ECE Phenomenology Considered as Spiritual Event 228
   3. The Brain and the 'Mystical' Experience 237

12 Subjects’ Interpretations of Their Experiences 242
   1. The NDE and the Subject: Consequential Outcomes 244
   2. NDE Outcomes: The Exaltation of Personhood 252

13 Overview and Recapitulation 257
   1. Consciousness and Soul 257
   2. On True Resurrection versus a Hallucinatory Metaphysic 260
Contents

3. The Forgotten Potential of the Post-Experiential Subject 262
4. The Eschatological Meaning of Salvation 266

Glossary 268
