<b>1 Eyelids.....</b>	<b>1</b>	<b>5 Conjunctiva.....</b>	<b>131</b>
Introduction .....	2	Introduction .....	132
Non-neoplastic lesions .....	3	Bacterial conjunctivitis.....	135
Benign epidermal tumours .....	7	Viral conjunctivitis.....	141
Benign pigmented lesions .....	9	Allergic conjunctivitis .....	144
Benign adnexal tumours.....	10	Conjunctivitis in blistering mucocutaneous disease .....	152
Miscellaneous benign tumours .....	12	Miscellaneous conjunctivites.....	158
Malignant tumours.....	13	Degenerations.....	162
Disorders of the eyelashes.....	25	Subconjunctival haemorrhage.....	166
Allergic disorders .....	30	<b>6 Cornea .....</b>	<b>167</b>
Bacterial infections.....	31	Introduction .....	168
Viral infections.....	32	Bacterial keratitis.....	175
Blepharitis .....	34	Fungal keratitis .....	180
Ptosis .....	38	Herpes simplex keratitis.....	183
Ectropion .....	45	Herpes zoster ophthalmicus.....	189
Entropion.....	50	Interstitial keratitis .....	194
Miscellaneous acquired disorders.....	51	Protozoan keratitis .....	197
Cosmetic eyelid and periocular surgery.....	56	Helminthic keratitis.....	199
Congenital malformations.....	57	Bacterial hypersensitivity-mediated	
<b>2 Lacrimal drainage system .....</b>	<b>63</b>	corneal disease.....	199
Introduction .....	64	Rosacea .....	201
Acquired obstruction.....	69	Peripheral corneal ulceration/thinning .....	202
Congenital obstruction.....	72	Neurotrophic keratopathy.....	206
Chronic canaliculitis.....	73	Exposure keratopathy.....	207
Dacryocystitis .....	73	Miscellaneous keratopathies.....	209
<b>3 Orbit .....</b>	<b>77</b>	Corneal ectasias.....	213
Introduction .....	78	Corneal dystrophies .....	216
Thyroid eye disease .....	82	Corneal degenerations.....	225
Infections.....	87	Metabolic keratopathies .....	230
Non-infective inflammatory disease.....	89	Contact lenses.....	232
Non-neoplastic vascular abnormalities .....	92	Congenital anomalies of the cornea and globe .....	233
Cystic lesions.....	95	<b>7 Corneal and refractive surgery .....</b>	<b>239</b>
Vascular tumours.....	98	Keratoplasty .....	240
Lacrimal gland tumours.....	103	Keratoprotheses.....	245
Neural tumours.....	106	Refractive procedures .....	246
Lymphoma.....	109	<b>8 Episclera and sclera .....</b>	<b>253</b>
Rhabdomyosarcoma .....	109	Anatomy .....	254
Metastatic tumours.....	110	Episcleritis .....	254
The anophthalmic socket.....	113	Immune-mediated scleritis .....	255
Craniosynostoses.....	117	Infectious scleritis.....	262
<b>4 Dry eye .....</b>	<b>119</b>	Scleral discoloration .....	262
Introduction .....	120	Blue sclera .....	262
Sjögren syndrome.....	121	Miscellaneous conditions.....	264
Clinical features.....	122	<b>9 Lens .....</b>	<b>269</b>
Investigation .....	124	Acquired cataract .....	270
Treatment.....	127	Management of age-related cataract.....	273

Congenital cataract.....	297	<b>12 Ocular tumours.....</b>	<b>467</b>
Ectopia lentis.....	300	Benign epibulbar tumours .....	468
Abnormalities of lens shape .....	303	Malignant and premalignant epibulbar tumours .....	473
<b>10 Glaucoma.....</b>	<b>305</b>	Iris tumours .....	477
Introduction .....	306	Iris cysts .....	480
Tonometry.....	307	Ciliary body tumours.....	483
Gonioscopy.....	309	Tumours of the choroid .....	484
Evaluation of the optic nerve head .....	316	Neural retinal tumours.....	497
Imaging in glaucoma .....	320	Retinal vascular tumours .....	506
Perimetry .....	323	Primary intraocular lymphoma .....	512
Medical treatment of glaucoma .....	330	Tumours of the retinal pigment epithelium.....	514
Laser treatment of glaucoma .....	334	Paraneoplastic syndromes .....	517
Trabeculectomy.....	338	<b>13 Retinal vascular disease.....</b>	<b>519</b>
Non-penetrating glaucoma surgery .....	345	Retinal circulation.....	520
Drainage shunts .....	346	Diabetic retinopathy.....	520
Ocular hypertension .....	348	Non-diabetic retinopathy .....	538
Primary open-angle glaucoma .....	349	Retinal venous occlusive disease.....	538
Normal-tension glaucoma.....	358	Retinal arterial occlusive disease.....	549
Primary angle-closure glaucoma.....	360	Ocular ischaemic syndrome.....	556
Classification of secondary glaucoma.....	366	Hypertensive eye disease.....	557
Pseudoexfoliation .....	366	Sickle cell retinopathy.....	559
Pigment dispersion .....	368	Thalassaemia retinopathy .....	561
Neovascular glaucoma.....	371	Retinopathy of prematurity.....	561
Inflammatory glaucoma .....	374	Retinal artery macroaneurysm.....	565
Lens-related glaucoma .....	377	Primary retinal telangiectasia.....	569
Traumatic glaucoma.....	379	Eales disease .....	569
Iridocorneal endothelial syndrome.....	381	Radiation retinopathy.....	572
Glaucoma associated with intraocular tumours .....	383	Purtscher retinopathy.....	572
Glaucoma secondary to epithelial ingrowth .....	384	Valsalva retinopathy.....	572
Iridoschisis .....	384	Lipaemia retinalis .....	574
Primary congenital glaucoma.....	384	Retinopathy in blood disorders.....	574
Iridocorneal dysgenesis .....	388	<b>14 Acquired macular disorders .....</b>	<b>579</b>
Glaucoma in phacomatoses .....	394	Introduction .....	580
<b>11 Uveitis.....</b>	<b>395</b>	Clinical evaluation of macular disease.....	581
Classification .....	396	Investigation of macular disease.....	586
Anterior uveitis.....	396	Age-related macular degeneration .....	598
Uveitis in spondyloarthropathies.....	404	Retinal angiomatous proliferation .....	616
Fuchs uveitis syndrome .....	407	Polypoidal choroidal vasculopathy .....	617
Uveitis in juvenile idiopathic arthritis .....	408	Peripheral exudative haemorrhagic chorioretinopathy .....	618
Uveitis in bowel disease .....	411	Idiopathic choroidal neovascularization.....	618
Uveitis in renal disease .....	412	Vitreomacular interface disorders.....	618
Intermediate uveitis.....	412	Central serous chorioretinopathy.....	624
Vogt-Koyanagi-Harada (VKH) syndrome.....	415	Idiopathic macular telangiectasia .....	627
Sympathetic ophthalmitis .....	416	Cystoid macular oedema.....	630
Lens-induced uveitis.....	419	Microcystic macular oedema .....	630
Sarcoidosis.....	420	Degenerative myopia .....	631
Behçet disease.....	424	Angioid streaks.....	635
Parasitic uveitis.....	426	Choroidal folds .....	635
Viral uveitis.....	437	Hypotony maculopathy.....	637
Fungal uveitis .....	444	Solar retinopathy .....	638
Bacterial uveitis .....	448	Focal choroidal excavation.....	638
Miscellaneous idiopathic chorioretinopathies.....	455		

## **15 Hereditary fundus dystrophies..... 641**

Introduction .....	642
Investigation .....	642
Generalized photoreceptor dystrophies .....	646
Macular dystrophies .....	660
Generalized choroidal dystrophies .....	667
Hereditary vitreoretinopathies .....	669
Albinism .....	678
Cherry-red spot at the macula.....	680

## **16 Retinal detachment..... 681**

Introduction .....	682
Peripheral lesions predisposing to retinal detachment.....	688
Posterior vitreous detachment.....	694
Retinal breaks .....	698
Rhegmatogenous retinal detachment.....	701
Tractional retinal detachment.....	711
Exudative retinal detachment.....	712
Pars plana vitrectomy .....	713

## **17 Vitreous opacities ..... 721**

Introduction .....	722
Muscae volitantes.....	722
Vitreous haemorrhage.....	722
Asteroid hyalosis.....	722
Synchysis scintillans .....	722
Amyloidosis .....	722
Vitreous cyst.....	726
Persistent fetal vasculature .....	726

## **18 Strabismus ..... 727**

Introduction .....	728
Amblyopia .....	737
Clinical evaluation .....	738
Pseudostrabismus .....	755
Heterophoria.....	756
Vergence abnormalities.....	756
Esotropia .....	757

Exotropia .....	762
Congenital cranial dysinnervation disorders .....	764
Monocular elevation deficiency.....	766
Brown syndrome.....	766
Alphabet patterns.....	767
Surgery .....	769
Botulinum toxin chemodenervation.....	771

## **19 Neuro-ophthalmology ..... 773**

Neuroimaging .....	774
Optic nerve.....	779
Pupils .....	806
Chiasm .....	812
Retrochiasmal pathways .....	819
Ocular motor nerves .....	821
Supranuclear disorders of ocular motility.....	830
Nystagmus.....	832
Ocular myopathies.....	838
Miller Fisher syndrome.....	842
Neurofibromatosis .....	842
Migraine .....	846
Neuralgias .....	847
Facial spasm .....	848

## **20 Ocular side effects of systemic medication..... 851**

Cornea.....	852
Ciliary effusion.....	853
Lens .....	853
Uveitis .....	854
Retina.....	854
Optic nerve.....	859

## **21 Trauma ..... 861**

Eyelid trauma .....	862
Orbital trauma .....	864
Trauma to the globe .....	867
Chemical Injuries.....	881
Index .....	887
