

Contents

The following, apart from "Preface", "Afterword" and "A final thought" are not chapter headings, but rather should be seen as themes or signposts around which thoughts are grouped for a stretch of the discussion. They do not always correspond to moments where reflection breaks off in the text.

<i>Preface</i>	xi
<i>Acknowledgements</i>	xiii
Contingency	1
The body	5
Time	9
Weight and lightness	14
Loneliness	21
