## Part I. Progress of Biomedical Technologies and Ethics

### *Section A: Regenerative Medicine*

|  |    |
|--|----|
| 1.1 Primary Topic Article: The Ethics of Regenerative Medicine: Broadening the Scope beyond the Moral Status of Embryos<br><i>Tamra Lysaght and Alastair V. Campbell</i> | 5  |
| 1.2 Commentary: Stem Cell Clinical Research: The Biology Determines the Ethics<br><i>Douglas Sipp</i>  | 27 |
| 1.3 Commentary: Regenerative Medicine and Science Literacy<br><i>Eisuke Nakazawa</i>   | 31 |
| 1.4 Commentary: Regenerative Medicine, Politics, and the High Price of Moral Constraint<br><i>Aric Bendorf and Ian Kerridge</i>  | 35 |
| 1.5 Response to Commentaries<br><i>Tamra Lysaght and Alastair V. Campbell</i>  | 40 |
| 2.1 Primary Topic Article: Neural Repair as a Case Study in Neuroethics<br><i>D. Gareth Jones</i>  | 46 |
| 2.2 Commentary: Some Issues in Neuroethics<br><i>Jing Bai and Renzong Qiu</i>  | 65 |
| 2.3 Commentary: Public Participation as a Potential Counter Strategy against Unethical Optimism<br><i>Taichi Isobe, Nozomi Mizushima, and Osamu Sakura</i>               | 69 |
| 2.4 Commentary: Three Problems with Treatments for Parkinson's Disease<br><i>Yukihiro Nobuhara</i>   | 75 |
| 2.5 Response to Commentaries: The Optimism of Misguided Ventures in Repairing the Brain<br><i>D. Gareth Jones</i>  | 80 |

### *Section B: Enhancement*

|  |    |
|--|----|
| 3.1 Primary Topic Article: Autonomy and the Ethics of Biological Behaviour Modification<br><i>Julian Savulescu, Thomas Douglas, and Ingmar Persson</i> | 91 |
|--|----|

|  |  |     |
|--|--|-----|
| 3.2  | Commentary: (Im)Moral Technology? Thought Experiments and the Future of 'Mind Control'           | 113 |
|  | <i>Robert Sparrow</i>  |     |
| 3.3  | Commentary: Some Remarks on Moral Bioenhancement   | 120 |
|  | <i>Masahiro Morioka</i>  |     |
| 3.4  | Commentary: Moral Technology and the Concept of 'the Self'                                       | 126 |
|  | <i>Tomohide Ibuki and Satoshi Kodama</i>   |     |
| 3.5  | Response to Commentaries   | 131 |
|  | <i>Julian Savulescu, Thomas Douglas, and Ingmar Persson</i>                                      |     |
| 4.1  | Primary Topic Article: Ethics, Eugenics, and Politics  | 139 |
|  | <i>Robert Sparrow</i>  |     |
| 4.2  | Commentary: Eugenics in Society: A Sociological and Historical Consideration                     | 154 |
|  | <i>Yasutaka Ichinokawa</i>   |     |
| 4.3  | Commentary: Are 'Brave' Parents Practicing Eugenics, Enhancement, or Something Else?             | 159 |
|  | <i>Michelle L. McGowan</i>   |     |
| 4.4  | Commentary: Therapy, Enhancement, and Eugenics   | 163 |
|  | <i>D. Gareth Jones</i>   |     |
| 4.5  | Commentary: The Nature of the Moral Obligation to Select the Best Children                       | 170 |
|  | <i>Julian Savulescu</i>  |     |
| 4.6  | Response to Commentaries: The Real Force of 'Procreative Beneficence'                            | 183 |
|  | <i>Robert Sparrow</i>  |     |
| 5.1  | Primary Topic Article: The Misguided Quest for <i>the</i> Ethics of Enhancement                  | 193 |
|  | <i>Thomas Murray</i>   |     |
| 5.2  | Commentary: Thomas Murray's Enhancement of a Bioethics of Enhancement                            | 205 |
|  | <i>Carl Becker</i>   |     |
| 5.3  | Commentary: Arguments for and against Enhancement in Sports                                      | 211 |
|  | <i>Renzong Qiu</i>   |     |
| 5.4  | Commentary: What We Can—and Cannot—Learn about the Ethics of Enhancement by Thinking about Sport | 218 |
|  | <i>Robert Sparrow</i>  |     |
| 5.5  | Response to Commentaries: Laments, Limits, and Liberalism  | 224 |
|  | <i>Thomas Murray and Cameron R. Waldman</i>  |     |
| <br><b>Section C: Emerging Problems in Research Ethics</b> |  |     |
| 6.1  | Primary Topic Article: Redefining Property in Human Body Parts: An Ethical Enquiry               | 235 |
|  | <i>Benjamin Capps</i>  |     |

|     |   |     |
|-----|---|-----|
| 6.2 | Commentary: But Which Body: Body of Labor, or Body of Anatomy?<br><i>Kantaro Ohashi</i>   | 264 |
| 6.3 | Commentary: The Non-Ownership Thesis: A German Perspective<br><i>Wilhelm Vossenkuhl</i>   | 268 |
| 6.4 | Commentary: Legal Status of the Human Body and Tissues<br><i>Katsunori Kai</i>  | 275 |
| 6.5 | Response to Commentaries: Does 'Dignity in Property' Tell Us<br>Anything about Dignity and Bioethics?<br><i>Benjamin Capps</i>  | 278 |
| 7.1 | Primary Topic Article: Genetic Research to Facilitate Personalized<br>Medicine: Ethical and Policy Challenges<br><i>Karen J. Maschke</i>  | 284 |
| 7.2 | Commentary: Genetic Information: Direct to Consumers<br>or Gatekeeping?<br><i>Soraj Hongladarom</i>   | 292 |
| 7.3 | Commentary: The Ethical and Social Aspects of Genetic Information<br>and Personalized Medical Genomics<br><i>Koji Ota</i>   | 295 |
| 7.4 | Commentary: Gatekeeping Access to Genetic Information: A Response<br>to "Genetic Research to Facilitate Personalized Medicine: Ethical and<br>Policy Challenges"<br><i>Douglas Sipp</i> | 298 |
| 7.5 | Response to Commentaries<br><i>Karen J. Maschke</i>   | 301 |
| 8.1 | Primary Topic Article: Ethics in Emerging Forms of Global Health<br>Research Collaboration<br><i>Michael Parker</i>   | 304 |
| 8.2 | Commentary: Reconciliation between Universality and Diversity<br><i>Zhaochen Wang</i>   | 318 |
| 8.3 | Commentary: Research Ethics Governance in Korea: How and Why<br>Does a Nation Adopt an Ethical Perspective into Research Oversight?<br><i>Ilhak Lee</i>                                 | 323 |
| 8.4 | Response to Commentaries: Some Reflections<br><i>Michael Parker</i>   | 329 |

#### *Section D: Synthetic Biology and Chimera*

|     |  |     |
|-----|--|-----|
| 9.1 | Primary Topic Article: The Ethical Issues of Synthetic Biology<br><i>Gregory Kaebnick</i>      | 335 |
| 9.2 | Commentary: Synthetic Biology, Intellectual Property, and Buddhism<br><i>Soraj Hongladarom</i> | 345 |

xii CONTENTS

|      |   |     |
|------|---|-----|
| 9.3  | Commentary: Before the Dawn of Ethics in Synthetic Biology<br><i>Osamu Kanamori</i>   | 350 |
| 9.4  | Response to Commentaries<br><i>Gregory Kaebnick</i>   | 354 |
| 10.1 | Primary Topic Article: Why Would It Be Morally Wrong to Create a<br>Human-Animal Chimera?<br><i>Stuart J. Youngner</i>  | 358 |
| 10.2 | Commentary: In Defence of Repugnance<br><i>Catherine Mills</i>  | 366 |
| 10.3 | Commentary: On Crossing the Line between Human and<br>Nonhuman: Human Dignity Reconsidered<br><i>Takashi Ikeda</i>  | 371 |
| 10.4 | Response to Commentaries<br><i>Stuart J. Youngner</i>   | 377 |
| 11.1 | Primary Topic Article: Chimera in Bioethics and Biopolitics<br><i>Jonathan D. Moreno</i>  | 380 |
| 11.2 | Commentary: The Question of the Family in the<br>Biopolitics of Chimeras<br><i>Tomoko Sato</i>  | 390 |
| 11.3 | Commentary: The Biopolitics and Bioethics Surrounding Chimeric<br>Embryo Research in Japan: A Comment on Jonathan Moreno's<br>"Chimera in Bioethics and Biopolitics"<br><i>Satoshi Kodama and Kyoko Takashima</i> | 394 |
| 11.4 | Response to Commentaries<br><i>Jonathan D. Moreno</i>   | 399 |

## Part II. Globalization and Bioethics

### Section A: Organ Transplant

|      |  |     |
|------|--|-----|
| 12.1 | Primary Topic Article: Trafficking and Markets in Kidneys: Two Poor<br>Solutions to a Pressing Problem<br><i>Arthur L. Caplan</i>          | 407 |
| 12.2 | Commentary: Against Organ Markets but Be Cautious in Adopting<br>Presumed Consent<br><i>Daniel Fu-Chang Tsai</i>                           | 417 |
| 12.3 | Commentary: Can a Presumed Consent System Stop Organ Trafficking?<br><i>Takahiro Nakajima</i>  | 421 |
| 12.4 | Commentary: Presuming Minor Consent and Allowing Family<br>Veto: Two Moral Concerns about Organ Procurement Policy<br><i>Hitoshi Arima</i> | 426 |

|      |   |     |
|------|---|-----|
| 12.5 | Commentary: Organ Donation and Social<br>Amelioration: A Two-Pronged Approach to Organ Trafficking<br><i>Leonardo D. de Castro and Peter A. Sy</i>  | 435 |
| 12.6 | Response to Commentaries<br><i>Arthur L. Caplan</i>   | 444 |
| 13.1 | Primary Topic Article: Ethics Without Borders? Why the United States<br>Needs an International Dialogue on Living Organ Donation<br><i>Mark P. Aulisio, Nicole M. Deming, Donna L. Luebke, Miriam Weiss,<br/>Rachel Phetteplace, and Stuart J. Youngner</i> | 449 |
| 13.2 | Commentary: Can Living Donation Be Justified?<br><i>Yohei Akaida and Kohji Ishihara</i>   | 461 |
| 13.3 | Commentary: Living Organ Donation and Organ Shortages: Another<br>Perspective<br><i>Farhat Moazam</i>   | 468 |
| 13.4 | Commentary: The Paradigm of Living Related Donation: Stretched,<br>Strained, and Abused?<br><i>Leonardo D. de Castro</i>  | 474 |
| 13.5 | Response to Commentaries<br><i>Donna L. Luebke, Nicole M. Deming, Rachel Phetteplace, and Mark P. Aulisio</i>   | 483 |
| 14.1 | Primary Topic Article: The Future of Altruistic Medicine<br><i>Jacqueline J. L. Chin</i>  | 488 |
| 14.2 | Commentary: Local and Global Contexts of the Praxis of<br>Bioethics: 'Transplant Tourism' and 'Altruistic' Medicine<br><i>Yosuke Shimazono</i>  | 503 |
| 14.3 | Commentary: Altruism in the Service of the Market and the State, and<br>the Ethics of Regulation<br><i>Amar Jesani</i>  | 506 |
| 14.4 | Commentary: Altruism in Organ Donation: Would Reciprocity Offer<br>an Alternative Explanation?<br><i>Mala Ramanathan</i>  | 511 |
| 14.5 | Commentary: A New Twist on Altruism: Survivors of Japan's 3/11<br><i>Michael C. Brannigan</i>   | 516 |
| 14.6 | Response to Commentaries<br><i>Jacqueline J. L. Chin</i>  | 522 |

## Section B: Public Health Ethics

|      |  |     |
|------|--|-----|
| 15.1 | Primary Topic Article: What is 'Public Health Ethics'?<br><i>Angus Dawson</i>        | 529 |
| 15.2 | Commentary: What is 'Substantive Public Health Ethics'?<br><i>Keiichiro Yamamoto</i> | 539 |

|   |   |     |
|---|---|-----|
| 15.3  | Commentary: What are Collective Values?<br><i>Ryoji Sato</i>  | 543 |
| 15.4  | Commentary: What is Expected of Public Health Ethics?<br><i>Taketoshi Okita</i>   | 546 |
| 15.5  | Commentary: Public Health as Civic Practice<br><i>Bruce Jennings</i>  | 550 |
| 15.6  | Response to Commentaries: In Defence of Substantive Public Health Ethics<br><i>Angus Dawson</i>   | 554 |
| 16.1  | Primary Topic Article: Accountability for Reasonable Priority Setting<br><i>Norman Daniels and James Sabin</i>  | 558 |
| 16.2  | Commentary: Reasonableness and Politics<br><i>Daniel Callahan</i>   | 571 |
| 16.3  | Commentary: Deliberation, Fair Outcome, and Empirical Evidence: An Analogy with Archives<br><i>Taro Okuda</i>   | 575 |
| 16.4  | Commentary: Justice, Fairness, and Deliberative Democracy in Health Care<br><i>Akira Inoue</i>  | 579 |
| 16.5  | Commentary: How to Combine Universal and Particular Elements in the Distributive Process<br><i>Wilhelm Vossenkuhl</i>   | 586 |
| 16.6  | Response to Commentaries: Further Thoughts on Implementing Accountability for Reasonableness<br><i>James Sabin and Norman Daniels</i>   | 590 |
| <br><b>Section C: Care in the Aging Society</b> |   |     |
| 17.1  | Primary Topic Article: Taking Seriously Ill People Seriously: Ethics and Policy Dimensions of the Chronic Disease/End-of-Life Care Continuum<br><i>Nancy Berlinger and Michael K. Gusmano</i> | 595 |
| 17.2  | Commentary: End-of-Life Care in Korea: The Tradition of Filial Loyalty in the Area of High-Tech Medicine<br><i>Ilhak Lee</i>  | 610 |
| 17.3  | Commentary: Chronic Disease and Mental Care<br><i>Yukihiro Nobuhara</i>   | 614 |
| 17.4  | Commentary: Navigating the Twilight Zone<br><i>Michael Dunn</i>   | 618 |
| 17.5  | Response to Commentaries<br><i>Nancy Berlinger and Michael K. Gusmano</i>   | 624 |
| 18.1  | Primary Topic Article: Ethics in Long-Term Care Practice: A Global Call to Arms,<br><i>Tony Hope and Michael Dunn</i>   | 628 |

|      |  |     |
|------|--|-----|
| 18.2 | Commentary: Ethical and Policy Issues in Long-Term Care in China<br><i>Xiaomei Zhai</i>  | 644 |
| 18.3 | Commentary: Whose Rights? Rights Protection in Long-Term Care<br><i>Shunzo Majima</i>  | 650 |
| 18.4 | Commentary: Listening to Voices that Are Difficult to Hear<br><i>Susumu Shimazono</i>  | 654 |
| 18.5 | Commentary: On Universal and Particular: Guidance Seeking via<br>Human Rights and Ethics Facilitating<br><i>Michael C. Brannigan</i> | 656 |
| 18.6 | Response to Commentaries<br><i>Michael Dunn and Tony Hope</i>  | 662 |

### ***Section D: Rethinking Medical Professionalism***

|      |  |     |
|------|--|-----|
| 19.1 | Primary Topic Article: A Virtue Ethics Analysis of Disclosure<br>Requirements and Financial Incentives as Responses to<br>Conflicts of Interest in Physician Prescribing<br><i>Justin Oakley</i> | 669 |
| 19.2 | Commentary: Trust and Professionalism: A Perspective on Conflict of<br>Interest Policy<br><i>Ilhak Lee</i>   | 678 |
| 19.3 | Commentary: Conflicts of Interest: Relationship between Japanese<br>Physicians and the Pharmaceutical Industry<br><i>Masatoshi Nara</i>  | 683 |
| 19.4 | Commentary: Virtue Ethics and Conflict of Interest<br><i>Tom L. Beauchamp</i>  | 688 |
| 19.5 | Commentary: Dealing with Conflicts of Interest: Is Virtue Ethics<br>Tough Enough?<br><i>Alastair V. Campbell</i>   | 693 |
| 19.6 | Response to Commentaries: Sketch of a Virtue Ethics Regulatory Model<br><i>Justin Oakley</i>   | 697 |
| 20.1 | Primary Topic Article: The Future of Clinical Ethics Education: Value<br>Pluralism, Communication, and Mediation<br><i>Edward J. Bergman and Autumn Fiester</i>                                  | 703 |
| 20.2 | Commentary: Barriers to Clinical Ethics Mediation in<br>Contemporary Japan<br><i>Atsushi Asai and Yasuhiro Kadooka</i>   | 712 |
| 20.3 | Commentary: Clinical Ethics After Morality: Mediation as<br>Pure Procedure<br><i>H. Tristram Engelhardt, Jr.</i>   | 718 |
| 20.4 | Commentary: Bioethics Mediation and Narrative Consultation<br><i>Takanobu Kinjo</i>  | 721 |

|      |  |     |
|------|--|-----|
| 20.5 | Commentary: The Functions and Limitations of Clinical Ethics Mediation<br><i>Ji-Yong Park</i>                              | 727 |
| 20.6 | Response to Commentaries<br><i>Edward J. Bergman and Autumn Fiester</i>  | 730 |
| 21.1 | Primary Topic Article: Informed Consent Revisited: A Global Perspective<br><i>Akira Akabayashi and Yoshinori Hayashi</i>   | 735 |
| 21.2 | Commentary: Medical Practice and Cultural Myth<br><i>Carl Becker</i>   | 750 |
| 21.3 | Commentary: Whose Interest Is It Anyway? Autonomy and<br>Family-Facilitated Approach to Decision-Making<br><i>Anita Ho</i> | 757 |
| 21.4 | Commentary: How Should We Defend a Family-Based Approach to<br>Informed Consent?<br><i>Ruiping Fan</i>                     | 762 |
| 21.5 | Response to Commentaries: Informed Consent, Family, and Autonomy<br><i>Akira Akabayashi and Yoshinori Hayashi</i>          | 766 |
|      | <i>Index</i>   | 775 |
