Foreword vii ■ Preface ix ■ Acknowledgments xi

Part I	Best Practices for Engaging All Students	1
Chapter 1	Understanding Disabilities and Universal Design for Learning	3
	Severe Disabilities 4 ■ Individuals with Disabilities Education Act 5 ■ Universal Design for Learning 7 ■ Summary 8	
Chapter 2	Collaborative Processes in Physical Education	9
	The Practice of Collaboration 10 ■ Becoming Part of the Education Team 11 ■ Developing Adapted Physical Education Goals Through Shared Goals 12 ■ Guidelines in the Collaborative Process 13 ■ Summary 14	
Chapter 3	Assessment Strategies	15
	Functional Assessment of Students With Severe Disabilities 16 ■ Rubrics 19 ■ Task Analysis Assessment 20 ■ Ecological Task Analysis 21 ■ Basic Skills Assessment 22 ■ Summary 26	
Chapter 4	Communication Practices That Enhance Participation	27
	Considerations for Communication Practices in Physical Education 28 ■ Types of Communication Practices 31 ■ Summary 35	
Chapter 5	Peer Tutoring	37
	Selecting Peer Tutors 38 ■ Training Peer Tutors 39 ■ Evaluating the Tutoring Experience 43 ■ Summary 43	
Chapter 6	Paraeducators in Physical Education	47
	Understanding the Paraeducator's Role 48 ■ Training for Paraeducators 51 ■ Ideas for Acknowledging Paraeducators' Contributions 52 ■ Summary 53	
Chapter 7	Creating Accessible Equipment	55
	Adapting Equipment With SENSE 56 ■ Six Ss for Adapting Equipment 56 ■ Summary 60	

Part II	Participation for All in Sport Activities	63
Chapter 8	Foundational Skills and Sensory Integration	65
	Understanding Sensory Integration Theory 66 ■ Developing Foundational Skills 67 ■ Putting Your Plan Into Action 70 ■ Summary 72	
Chapter 9	Disability Sport in Physical Education	73
	Sport Opportunities for Students With Severe Disabilities 74 ■ Role of the Teacher and Coach in Disability Sport 80 ■ Summary 81	
Chapter 10	Modified Programming in Physical Education	83
	Establishing Disability Sports Within the Physical Education Curriculum 84 ■ Assessment in Disability Sport 86 ■ Summary 86	
Chapter 11	Transitioning to Recreational Opportunities Beyond School	91
	Transition Services and Individuals' Rights 92 ■ Initiating the Transition Plan 92 ■ Transition Processes in Physical Education 94 ■ Training Personnel for Community-Based Programs 94 ■ Summary 95	
Chapter 12	Aquatics for Students With Disabilities	97
	Benefits of Aquatics 98 ■ Medical Issues, Precautions, and Safety Issues 98 ■ Assessment in Aquatics 100 ■ Planning Goals 103 ■ Teaching and Safety Strategies 103 ■ Transitioning to Aquatics in the Community 106 ■ Summary 106	
Part III	Sample Lessons Using Universal Design for Learning	109
Chapter 13	Team Sports and Target Games	111
	Soccer: Passing 112 ■ Basketball: Spot Remover 113 ■ Hockey: Rip Off 114 ■ Track and Field: Hurdling 116 ■ Golf: Putting 117 ■ Golf: Stations 119 ■ Golf: Alien Invasion 120 ■ Throlf (Throwing Golf) 121 ■ Bowling for Junk 122 ■ Bowling: Battleships 123 ■ Bowling for Bucks 125 ■ Archery: Safety First 126 ■ Archery: Add It Up 128	
Chapter 14	Lifetime and Health-Related Activities	131
	Red Light, Green Light 132 ■ Hand Function Challenges 133 ■ Hand Functions for Sports 134 ■ Scooter Train 136 ■ Climbing Wall: Periwinkle Rescue 137 ■ Horseshoes 138 ■ Bicycling: Rules of the Road 139 ■ Tennis: Forehand Stroke 141 ■ Tabletop Shuffleboard 142 ■ Personal Physical Fitness Plan 143 ■ Cup Racing 144 ■ Swimming Through the Ocean 145
