|---|----------------|
| <i>Preface</i> | <i>page xi</i> |
| 1 Adaptive decision behavior: An introduction | 1 |
| Flexibility in decision making | 1 |
| Factors influencing contingent decision behavior | 3 |
| The benefits and costs of contingent decision behavior | 4 |
| Overview of a framework for adaptive decision behavior | 9 |
| Research on contingent behavior in other areas of psychology | 15 |
| The organization of the book | 17 |
| 2 Contingencies in decision making | 20 |
| Introduction | 20 |
| Decision strategies | 22 |
| Decision problem characteristics: Task effects | 34 |
| Decision problem characteristics: Context effects | 54 |
| Contingent usage of strategies for probabilistic reasoning | 66 |
| Summary | 68 |
| 3 Deciding how to decide: An effort–accuracy framework | 70 |
| Introduction | 70 |
| Costs and benefits in decision making | 72 |
| Cognitive effort and decision strategies | 75 |
| The accuracy of decisions | 88 |
| Anticipated accuracy and effort | 91 |
| Trading accuracy for effort savings | 92 |
| Relationships to other frameworks | 99 |
| Summary | 114 |

| | | |
|----------|---|-----|
| 4 | Studying contingent decisions: An integrated methodology | 117 |
| | Introduction | 117 |
| | Production systems as models of decision strategies | 118 |
| | A Monte Carlo study of effort and accuracy in choice | 123 |
| | Process-tracing methods | 144 |
| | Validation by relating the simulation results to prior studies of contingent processing | 147 |
| | Validation of the simulation results by direct tests | 154 |
| | Summary | 168 |
| 5 | Constructive processes in decision making | 171 |
| | Introduction | 171 |
| | The nature of constructive processes | 172 |
| | When will constructive processes be used? | 177 |
| | Accuracy-effort tradeoffs and constructive processes | 178 |
| | Noticing and exploiting regularities | 180 |
| | Summary | 189 |
| 6 | When may adaptivity fail? | 192 |
| | Introduction | 192 |
| | Deficits in knowledge | 193 |
| | Inability to execute strategies | 214 |
| | Summary | 216 |
| 7 | Improving decisions and other practical matters | 218 |
| | Introduction | 218 |
| | Approaches to decision aiding | 220 |
| | The measurement and prediction of preferences | 239 |
| | Summary | 247 |
| 8 | The adaptive decision maker: A look backward and a look forward | 248 |
| | Introduction | 248 |
| | What have we learned? | 248 |
| | New directions for future research | 250 |
| | Summary | 263 |
| | Appendix: The Mouselab system | 264 |
| | Introduction | 264 |
| | The mouse as pointing device | 266 |

| | |
|---------------------------------|-----|
| <i>Contents</i> | ix |
| Overview of the Mouselab system | 268 |
| Summary | 278 |
| <i>References</i> | 279 |
| <i>Name index</i> | 309 |
| <i>Subject index</i> | 315 |
