	Tax Exemption Issues for Healthcare Organizations	99
	Red Flags Rule	102
	Antitrust in Healthcare	104
	Emergency Medical Transfer and Active Labor Act	107
	Summary	107
5	Measuring Community Benefit	113
	Tax Exemption Status	114
	Community Benefit Areas	115
	Community Value Index	118
	Estimating Financial Benefits in Not-for-Profit Healthcare Firms	121
	Estimating Financial Benefits Provided By Not-for-Profit Healthcare Firms	124
	Summary	126
	Appendix 5-A: Schedule H Forms	129
6	Revenue Determination	135
	Payment Methods and Their Relationship to Price Setting	136
	Methods for Controlling Revenue	137
	Generic Principles of Pricing	138
	Price Setting for Healthcare Services	140
	Justifying Healthcare Firm Prices	143
	Health Plan Contract Negotiation	147
	Summary	153
7	Health Insurance and Managed Care	157
	HMO and Managed Care Development	158
	Integrated Delivery Systems	163
	Control of an IDS	165
	Paying Providers in a Managed Care Environment	167
	Setting Prices in Capitated Contracts	169
	Medicare and Medicaid Risk Contracts	173
	Legal and Regulatory Issues	174
	Summary	175
8	General Principles of Accounting	181
	Financial Versus Managerial Accounting	182
	Principles of Accounting	183
	Accrual Versus Cash Accounting	188
	Fund Accounting	192
	Conventions of Accounting	192
	Summary	193

9	Financial Statements	197
	Organizational Structure	199
	Balance Sheet	199
	Statement of Operations (Revenues and Expenses)	204
	Statement of Changes in Net Assets	206
	Statement of Cash Flows	207
	Summary	207
	Appendix 9-A: Case Example Audited Financial Statement	211
10	Accounting for Inflation	227
	Reporting Alternatives	228
	Uses of Financial Report Information	230
	Case Example: Williams Convalescent Center	231
	Summary	237
11	Analyzing Financial Position	243
	Developing an Effective Financial Reporting System	244
	Case Example: Harris Memorial Hospital	249
	Summary	263
12	Financial Analysis of Alternative Healthcare Firms	267
	Long-Term Care Facilities and Nursing Homes	268
	Medical Groups	274
	Health Plans	277
	Summary	281
13	Strategic Financial Planning	287
	Strategic Planning Process	288
	Developing the Financial Plan	295
	Integration of the Financial Plan with Management Control	305
	Summary	306
14	Cost Concepts and Decision Making	313
	Concepts of Cost	314
	Cost Measurement	322
	Break-Even Analysis	328
	Summary	333
15	Product Costing	339
	Healthcare Cost Accounting	340
	Relationship to Planning, Budgeting, and Control	342
	The Costing Process	343
	Two Required Systems for Healthcare Costing	346
	Relative Value Costing	350
	Summary	351
16	Management Control Process	355
	Essential Elements	356
	Phases of Management Control	358

	Budgeting Process	360
	Zero-Base Budgeting	369
	Benchmarking at the Departmental Level	370
	Summary	371
17	Cost Variance Analysis	379
	Cost Control	380
	Investigation of Variances	381
	Variance Analysis Calculations	384
	Variance Analysis in Budgetary Settings	388
	Variance Analysis in Managed Care Settings	392
	Summary	395
18	Financial Mathematics	403
	Single-Sum Problems	404
	Annuity Problems	407
	Summary	411
19	Capital Project Analysis	419
	Participants in the Analytical Process	421
	Classification of Capital Expenditures	423
	Capital Project Decision-Making Process	425
	Justification of Capital Expenditures	428
	DCF Methods	429
	Selection of The Discount Rate	433
	Valuation	433
	Summary	434
20	Consolidations and Mergers	441
	Defining the Terms	442
	M&A Activity	443
	Overview of Theories of M&A Activity	445
	Factors Affecting M&A Activity	446
	Why Do Mergers Succeed or Fail?	446
	Valuations	447
	Summary	453
21	Capital Formation	459
	Equity Financing	461
	Long-Term Debt Financing	465
	Alternative Debt Financing Sources	469
	More Recent Developments	475
	Early Retirement of Debt	478
	Summary	480
22	Working Capital and Cash Management	489
	Cash and Investment Management Structure	491
	Management of Working Capital	493

Short-Term Bank Financing	498
Investment of Cash Surpluses	499
Summary	500
23 Developing the Cash Budget	505
Determining Required Cash and Investment Reserves	506
Sources and Uses of Cash	508
Preparing the Cash Budget	509
Summary	512
Glossary	515
Common Healthcare Financial Management Acronyms	539
Index	547
