Contents

List of Abbreviations ................................................................. vii
List of Contributors ........................................................................ ix
Preface.......................................................................................... xi

Chapter 1 On Imaginative Criminology and its Significance .................... 1

Chapter 2 Reimagining the Educational Field: Thoughts on a Critical
Criminology of Education ................................................................. 19

Chapter 3 Documentary Criminology: Expanding the Criminological
Imagination with “Mardi Gras—Made in China” as a Case
Study (23 Minutes) ........................................................................ 43

Chapter 4 Performative Criminology and the “State of Play” for Theatre
with Criminalized Women .............................................................. 65

Chapter 5 Understanding the Effects of Crime on Women: Fear and
Well-Being in the Context of Diverse Relationships ...................... 89

Chapter 6 Re-Imagining Punishment: An Exercise in “Intersectional
Criminal Justice” ......................................................................... 111

Chapter 7 Measuring Scientific Misconduct—Lessons from Criminology ...... 129

Chapter 8 Community Perceptions of Criminality: The Case of the Maltese
Walled City of Bormla ................................................................. 143

Chapter 9 Algorithmic Criminology .................................................. 163

Chapter 10 Not Just Another Focus Group: Making the Case for the
Nominal Group Technique in Criminology .................................... 191

Chapter 11 Integrating Information from Multiple Methods into the Analysis
of Perceived Risk of Crime: The Role of Geo-Referenced Field
Data and Mobile Methods ............................................................ 217

Chapter 12 Applying Google Maps and Google Street View in
Criminological Research ............................................................. 243
